

Incubator Cover Instructions

2 x 1m x 1.3m (approximately) of fabric

Label

Fold the label in half. With the loop pointing inwards, stitch it onto a short side of one piece of the fabric.

Right sides together sew round with a 3/8" seam allowance leaving a gap to turn it through.

Trim the corners & turn through. Push out the corners with a knitting needle or similar rod.

Press

Top stitch 1/4" from the edge all around the incubator cover.

DONE!

Thank you
