

# Teddy gift bag & Shopping Tote bag Instructions

To make 1 bag you need :

Small Tote Bag (Teddy)  
2 x 12" x 15" fabric  
2 x 15" webbing for the handles  
1 label

Large Tote Bag (Shopping Tote)  
2 x 21" x 22" fabric  
2 x 35" webbing for the handles  
1 label

Look at the rainbow fabric to check the directions of the rainbows.

Fold the short top edge (12" or 21") of the fabric over 1" and press.

Fold over 1" and press to make a double hem of 1".

Position the handle ends 3.25" or 6.5" in from each side, tuck the raw edge inside the hem.

Fold the label and put the ends inside the hem

Topstitch at 1/4" and 5/8" to secure the hem and handles.

With wrong sides of the fabric together ( right side of the fabric facing out)

Sew along the three sides with 1/8" seam allowance and snip the corners at the top and bottom.

Turn your bag inside out, so the wrong side of the bag is facing you.

Push the corners out and press your seams.

Sew along the three sides with 1/4" seam allowance.

## To make the box corners

Grab one of the bottom corners and ensure the bottom and side seams are aligned.

Completely flatten the bag corner to form a triangle and pin to secure.

Mark a line 1.5" or 2.5" at right angles to the bottom seam. Sew along the line.

Mark another line at 1" or 2", cut on this line and zigzag over the edge to neaten.

Neaten all the thread ends and turn the right way out.

Thank you
